Insert Graphs or Tables of Resulting Trends (3-5 data points preferred)

Peregrine Exam administered in FINC 5100 (Inbound) and FINC 6290 (Outbound). Goals are to show an increase in outbound vs. inbound results and to have all learning outcomes average in the Medium or High category (40% or above) on outbound exam.

Direct, formative, summative, comparative external multiple choice exam developed and administered by Peregrine Global Services.

Average overall scores out of 100%: 74.7% (Outbound). 60.0% (Inbound).

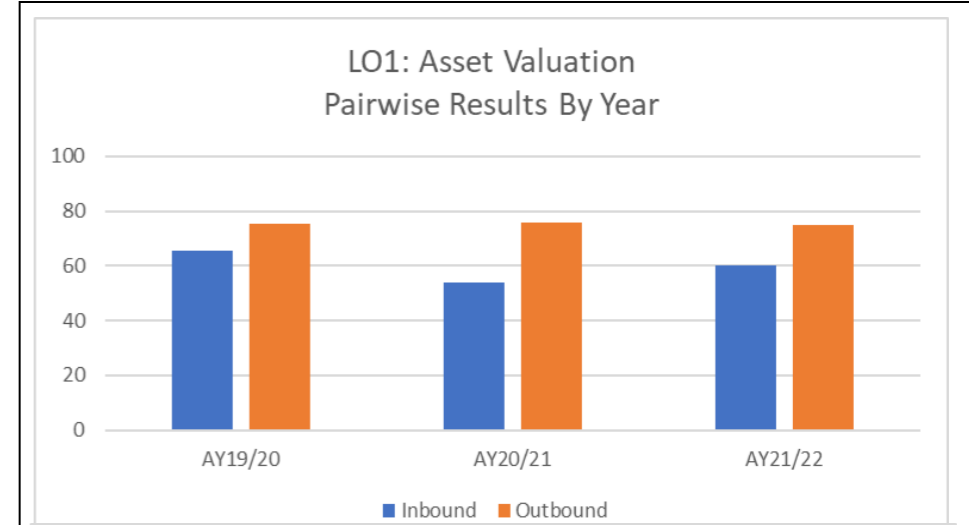

Average overall outbound results for sub-outcomes: Outcome 1.1: 73.2% (High). Outcome 1.2: 75.5% (High). Outcome 1.3: 75.5% (High).

All location types met the goal for each sub-outcome. Outbound scores exceeded inbound scores for each sub-outcome.

Outbound results have been very similar for the past three academic years, but are trending slightly down.

WEB results are weaker than Online. Military data are less reliable because there are only 2 students assessed.

None. Results meet standards.

Standard #4 Measurement and Analysis of Student Learning and Performance

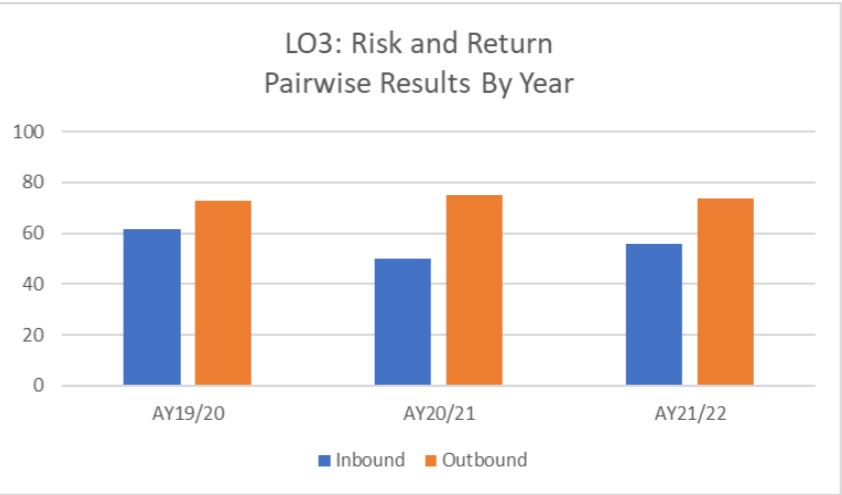

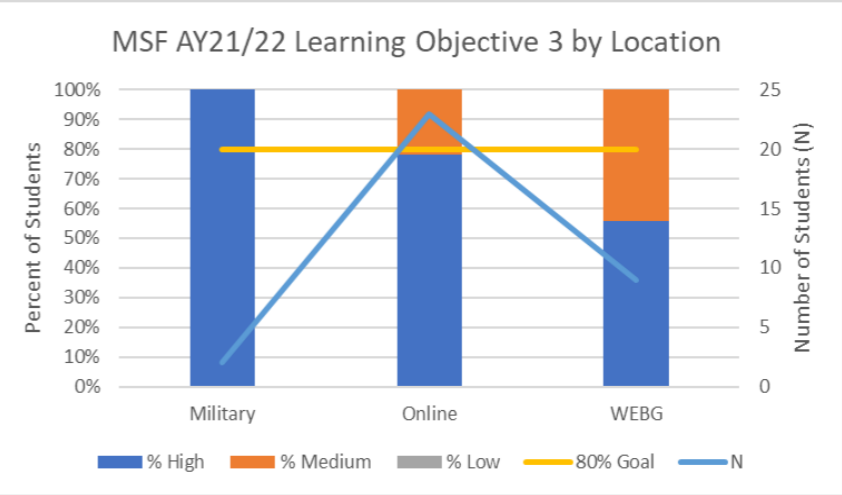

Student Learning Results: PLO 2	Students can analyze the financial decisions of a corporation.
