

International Talent Employers in the St. Louis Metro

Webster University | Career Planning & Development Center

webster.joinhandshake.com

The information below is organized by industry, employer name, and position titles. Note, this list is a starting point to explore employers who have previously hired international talent. Students are encouraged to speak with a Career Advisor in the Career Planning & Development Center to develop a list of employers tailored to their academic and career interests.

Students interested in Curricular Practical Training and/or Optional Practical Training should speak first with a representative from International Recruitment and International Services before starting a job or internship search process.
