AY 2012-2016 Advising Information for Transfer Credit from the Army Command and General Staff College

Webster University's transfer credit guidelines with the U.S. Army Command and General Staff College (CGSC) provides two programs for pre-approved graduate transfer credit. The first program is for CGSC students prior to July 2003 and the second is for CGSC students from August 2003 and later.

Transfer credit for the CGSC program **prior to July 2003** is limited to 9 credit hours based on the transfer credit guidelines (earned grade of B- or above or other equivalent satisfactory graduate grade) in the Webster University graduate catalog for courses transferred from a regionally accredited educational institution. If any Webster University students attended the Combined Arms Services Staff School (CAS-3), this would be an addition 3 credit hours for a total of 12 transfer credit hours.

Transfer credit for the CGSC program **August 2003 and later** can be applied to the following degrees and is limited to 12-15 credit hours (earned grade of B- or above or other equivalent satisfactory graduate grade) depending on when the course was completed and the degree program chosen.

- Master of Business Administration (MBA)
- Master of Arts in Business and Organizational Security Management (SECR)
- Master of Arts in Human Resources Management (HRMG)
- Master of Arts in Information Technology Management (ITM)
- Master of Arts in Management and Leadership (MNGT)
- Master of Arts in Procurement and Acquisitions Management (PROC)
- Master of Arts in International Relations (INTL)
- Master of Science in Cybersecurity (CSSS)

The agreement reflects Academic Year 2012 to 2016.

Eligibility Requirements

1. Completion of the Command and General Staff specific course curriculum (see below).
2. Application and admission to one of the Webster University graduate programs listed above following prescribed admission procedures.

Documentation

1. Submission of an official Command and General Staff College transcript showing specific course completion.
   (Note to advisors: Actual classes completed vary based on the location courses were taken. A careful review of the transcripts is needed to accurately transfer credits.)
2. For students who complete the Red Team Leader Course, a Memorandum of Completion and a DA 1059 will be required showing completion of the RTLC program as "Achieve Course Standards" (or Achieve Academic Standards) or "Exceeded Course Standards."
3. Submission of an official transcript showing completion of a baccalaureate degree from a regionally accredited academic institution.
