

#WeAreAllWebster

As a member of the **WEBSTER UNIVERSITY** community,

I promise to consciously promote acceptance and demonstrate respect.

I will dedicate myself to actively listen to each person's story.

I promise to learn from and embrace differences among identities.

I will recognize commonalities and shared experiences.

I will practice inclusive language and be open to learning.

I promise to educate others to foster an inclusive community that treats every person with dignity and respect.

I will honor this commitment in my classes, workplace, personal life, and all other pursuits on and off campus.
I pledge to make everyone feel safe, valued, and part of our global community.
